Providing volunteer drivers for those in need

Do you find it difficult to

- Get to medical appointments?
- Visit loved ones?
- Get access to things you need?

We have a network of local volunteer drivers who provide lifts within Frome and beyond.

A contribution of £2 + 45p per mile to cover the drivers expenses is requested, however **50% discounts are available if you have a bus pass.**

Would you like to support your local community as a volunteer driver?

Frome Community Drivers provides a lifeline for people who could not otherwise access the things they need whether it be essential medical appointments or social events.

You can volunteer to drive as much or as little as you want. Petrol is reimbursed at 45p per mile.

“Volunteering for FCD is enjoyable – I get to meet some interesting people – plus, it’s a useful service, so what’s not to like? I hope someone will do the same for me one day if I need it.”
